It is with great pleasure that I write this letter of experience on behalf of True Base Pvt. Ltd. **Nikhar Sachdeva** worked as a part-time Android Developer for True Base Pvt Ltd from October 2021 to March 2022, and during this time, Nikhar was responsible for the maintenance and development of some new features of our app called "Misohe V1" and also the development of the revamped version of the app, "Misohe V2", which had numerous new features.

Nikhar was a valuable member of our team, and we were impressed with Nikhar's exceptional performance, dedication, and professionalism. Nikhar consistently delivered high-quality work and met all project deadlines, ensuring that the app was running smoothly and effectively for our customers.

Furthermore, Nikhar was a joy to work with, and Nikhar's positive attitude and good nature made it easy to collaborate with other team members. Nikhar was always willing to lend a hand when needed and offered valuable insights and suggestions that helped improve the app's overall performance.

Overall, Nikhar was an outstanding part-time Android Developer, and we were lucky to have had Nikhar as a member of our team. We appreciate Nikhar's contributions to our company and wish Nikhar all the best in future endeavors.
